Notification dated 23rd June 1950.

To

The Commissioner of Income-tax,
Mysore *cum* Travancore-Cochin,
Old Residency Office Buildings, Bangalore.

Sir,

Subject.—Deduction of tax during the year 1950-51 from Salaries.

No. 274—GAD. In continuation of the correspondence resting with this office letter No. 103—GAD., dated the 13th May 1950, on the subject indicated above, I am to forward herewith a copy of the Government of India, Ministry of Finance, letter No. C. 57-St. (Int.) IT—49, dated the 7th June 1950, and to request that a Circular based on the Government of India letter quoted above may kindly be issued to all Heads of Departments, and the Treasury Officers in the Mysore State.

Yours faithfully,
V. T. SREENIVASAN,
Accountant-General.

2386

Letter No. 57-St (Int.) IT—49, dated 7th June 1950, from the Government of India, Ministry of Finance (Revenue Division), New Delhi, to all the Accountants-General and Comptrollers.

Subject:—Exemption from tax — Assessment of—Salaries of persons, formerly employed by Part B States but now employed by the Central Government.

I am directed to invite a reference to this Ministry's letter of even number dated the 27th April 1950 and to say that a doubt has arisen whether for the purposes of allowing rebate in respect of contributions to General Provident Fund, payment of Insurance premia and grant of relief for earned income, the provisions of Indian Income-tax Act should be applied or the provisions of the State Income-tax Acts as they stood before 1st April 1950.

The Indian Income-tax Act, 1922, has been applied to all the Part B States with effect from the 1st April 1950 (13th April for PEPSU) and it is this law that is now in force in these areas. All that meant by the instructions contained in this Ministry's letter of the 27th April 1950 was that in assessing salaried persons in Part B States, the rates of tax applicable will be not the rates prescribed by the Finance Act, 1950, but the rates prescribed by the States Acts which were in force immediately before the 1st April 1950 or in other words the computation of income from salary and the grant of rebates will be made under the Indian Law, the rates applicable however being the rates in force in the States before 1st April 1950.

The rates applicable in the States of Hyderabad, Saurashtra and Mysore are contained in the enclosures to this Ministry's letter of the 27th April 1950.

So far as PEPSU, Travancore and Cochin are concerned the rates will be the rates in force in India as prescribed by the Finance Act, 1950.

Notification dated 11th July 1950.

Subject.—Due date for receiving applications for the ensuing Accountants' Examination.

No. 1713—E. After the results of the Accounts (Higher) Examination conducted by the Mysore Local Service and Pleaders' Examination Board were recently announced, several officials of the Audit and Accounts Department have represented that they may be permitted to take the ensuing Accountants' Examination in relaxation of the minimum service condition prescribed in the rules for admission to the above examination. As this may probably be the last examination to be held under the existing rules, it is proposed to approach the Comptroller and Auditor-General of India for relaxation of the present rule regarding the Service condition and permit the First and Second Grade Clerks of the Audit and Accounts Department who have passed the Accounts Higher Examination to appear for the ensuing Accountants' Examination irrespective of the length of service put in by them, as a special case. Such of those as are desirous of appearing for the said examination and as have not already done so may apply therefor on or before the 20th July 1950, in the prescribed printed forms. In the case of the Subordinate Audit Offices, the applications should reach this office before the 25th July 1950. Applications received in the Central Office after the said date will not be considered. Applications which are not in the prescribed printed forms will not also be considered.

2. It must be clearly understood that the applicants who do not satisfy the service conditions prescribed in the rules of the examination will be permitted to take the examination *only if the Comptroller and Auditor-General* (who is being separately addressed in this behalf), accords special permission therefor and not otherwise. The receipt of applications from those who do not satisfy the service condition will be therefore provisional and will not by itself entitle them to take the Examination.

FINANCIAL DEPRTMENT

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Dated 17th July 1950.

FROM

The Accountant-General, Mysore, Bangalore.

To

All Heads of Departments.

SIR,

Subject: Reconciliation of the Departmental Figures with those of the Accountant-General.

No.805—Books. The work of reconciliation of the Departmental figures of expenditure with those on the Books of the Accounts Department and also to watch the progress of Expenditure against the appropriation rests primarily with the Heads of Departments. To achieve this object, the Account Department is forwarding Statements of Expenditure for and to end of the month for which the accounts are closed to the Heads of Departments according to the directions contained in G. O. No. Fl. 72-210—G.F. 226-23-1, dated Camp Mysore, 14th June 1924. This authority is also noted in the above statement of expenditure. These statements are being sent from the year 1924-25 to enable the Heads of Departments to control effectively the expenditure incurred by them and to take timely action to apply for supplementary grants either by reappropriation of sanctioned grants or by obtaining sanction of the Legislature. It is seen that the above statements are not generally made use of by the Heads of Departments to effect monthly reconciliation of the Departmental figures of expenditure with those booked in the Accounts Office. In only a few cases certain discrepancies are brought to the notice of this office by Departments once a year (and not monthly) while furnishing explanation for variations between Grant and Expenditure under minor heads pertaining to them for incorporation in the Appropriation Accounts of each year.

2, The importance of monthly reconciliation of Departmental figures of expenditure with those of the Accounts and Audit Department is once again brought to the notice of the Heads of Departments with a request to arrange to effect prompt agreement of figures by obtaining from the subordinate officers necessary particulars and also by deputing the concerned staff of their offices to the Audit Office to reconcile the departmental figures with those of the Accountant-General under each detailed head from the particulars available in the books. The Certificate of verification will have to be furnished by Heads of Departments within 15 days after the receipt of the Statement of Expenditure. The need for this is even more important than it was hitherto as it is not permissible to incur expenditure in excess of the amounts sanctioned by the State Legislature without obtaining in advance a Supplementary Grant, under the provisions of the new Indian Constitution. If the Departments do not make necessary arrangements from now alone as stated above to control the

expenditure, they may run the risk of not getting their bills cashed at the treasuries. Considerable emphasis has been laid on this by the Ministry of Finance, Government of India in their Memorandum No. 1723-B-II/50, dated 6th April 1950 addressed to all Ministries, etc., on the above subject with its enclosure received from the Under Secretary to the Government of India with Memo No. 1723-B-II/50 (copies enclosed).

Yours faithfully,
V. T. SREENIVASAN,
Accountant-General.

Copy of Office Memorandum No. 1723—B-II/50, dated 6th April 1950, from the Government of India, Ministry of Finance to all Ministries, etc.

The undersigned is directed to invite a reference to this Ministry's Office Memorandum No. 6039—B. II/49, dated the 7th October 1949, regarding the reconciliation of departmental figures of expenditure with those booked in the Accounts Offices and to state that the Accountant-General, Central Revenues, has since reported that the instructions issued in the above memorandum are not being followed by the various Ministries, Departments, etc., and that inspite of repeated reminders issued to them, the progress of departmental reconciliation is not satisfactory. The work of prompt and regular reconciliation of Department figures with those booked in the Accounts Offices, has gained further importance as a result of the new Constitutional provisions under which it is not now permissible to incur expenditure in excess of the amounts voted by the Parliament without obtaining in advance a supplementary Grant. The Ministries, Departments, etc., are therefore requested to make immediate arrangements for the monthly reconciliation of departmental figures with those of the accounts office, to enable them to exercise a closer control over the progress of expenditure and to apply for a Supplementary Grant as soon as the need for it is anticipated and in any case well before the expenditure in excess of the voted grant is actually incurred.

(Sd.) SHIV NAUBH SINGH,
Under Secretary to the Government of India.

No. 1723-B-II/50.

Copy forwarded to the Auditor-General of India, Accountant-General, Central Revenues, with reference to his T.M. 14-41-922, dated the 7th February 1950, all other Accountants-General and Comptroller of Assam.

Copy together with a copy of Office Memorandum dated the 7th October 1949 referred to above forwarded to the Accounts Officers of Part 'B' States for information and necessary action, in consultation with the Administrative authorities concerned.

By Order, etc.,

(Sd.) SHIV NAUBH SINGH,
Under Secretary to the Government of India.

Copy of Office Memorandum No. 6039-B. II—49, dated 7th October 1949, from the Deputy Secretary to the Government of India, Ministry of Finance, New Delhi, to All Ministries, etc.

The Accountant-General, Central Revenues has brought to the notice of this Ministry that the procedure prescribed for the reconciliation of departmental figures booked in the Accounts Office is not being followed by the various Ministries, Departments, etc. In some cases, this reconciliation is in arrears from April, 1948 onwards with the result that the compilation of the Appropriation Accounts for the year 1948-49 is being unnecessarily held up. The delay is mainly due to the failure on the part of the various Ministries Departments, etc., to depute their assistants regularly and in time inspite of repeated reminders from the Accounts Office. In some cases the results of reconciliation with the observations of the Departmental authorities are not reported to the Accountant-General in time to enable him to carry out necessary adjustments.

2. Owing to the rapid expansion of Governmental activities during the war and to the diversion of experienced staff that followed, the procedure prescribed for the reconciliation of departmental expenditure with those booked in the Accounts Offices has in most cases not been followed. Without this reconciliation it is not possible for the Executive to control the expenditure against the grant obtained from the Legislature. There has been a growing volume of criticism that there is in effect, no real control of expenditure now. It is therefore extremely important to secure that there is a prompt and systematic reconciliation between the departmental figures and the accounts. The importance of this work can therefore hardly be over-emphasised; for this is the only means whereby the controlling authorities can accurately estimate from month to month the ultimate savings and excesses in the grants placed at their disposal to enable them to apply for additional funds where required before the expenditure is actually incurred and to surrender unnecessary funds before the close of the year.

3. The undersigned is accordingly directed to request that effective steps may be taken immediately to observe the procedure laid down in the late Finance Department Resolution No. 13-Ex—25, dated the 2nd August 1926, and in its Office Memorandum No. D. 2839-B., dated the 8th July 1933, for reconciling departmental figures of expenditure with those booked in the Accounts Offices.

FINANCIAL DEPARTMENT.

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Dated 17th July 1950.

FROM

The Accountant-General, Mysore, Bangalore.

TO

All Heads of Departments.

SIR,

Subject: Reconciliation of the Departmental Figures with those of the Accountant-General.

No.805—Books. The work of reconciliation of the Departmental figures of expenditure with those on the Books of the Accounts Department and also to watch the progress of Expenditure against the appropriation rests primarily with the Heads of Departments. To achieve this object, the Account Department is forwarding Statements of Expenditure for and to end of the month for which the accounts are closed to the Heads of Departments according to the directions contained in G. O. No. Fl. 72-210—G.F. 226-23-1, dated Camp Mysore, 14th June 1924. This authority is also noted in the above statement of expenditure. These statements are being sent from the year 1924-25 to enable the Heads of Departments to control effectively the expenditure incurred by them and to take timely action to apply for supplementary grants either by reappropriation of sanctioned grants or by obtaining sanction of the Legislature. It is seen that the above statements are not generally made use of by the Heads of Departments to effect monthly reconciliation of the Departmental figures of expenditure with those booked in the Accounts Office. In only a few cases certain discrepancies are brought to the notice of this office by Departments once a year (and not monthly) while furnishing explanation for variations between Grant and Expenditure under minor heads pertaining to them for incorporation in the Appropriation Accounts of each year.

2, The importance of monthly reconciliation of Departmental figures of expenditure with those of the Accounts and Audit Department is once again brought to the notice of the Heads of Departments with a request to arrange to effect prompt agreement of figures by obtaining from the subordinate officers necessary particulars and also by deputing the concerned staff of their offices to the Audit Office to reconcile the departmental figures with those of the Accountant-General under each detailed head from the particulars available in the books. The Certificate of verification will have to be furnished by Heads of Departments within 15 days after the receipt of the Statement of Expenditure. The need for this is even more important than it was hitherto as it is not permissible to incur expenditure in excess of the amounts sanctioned by the State Legislature without obtaining in advance a Supplementary Grant, under the provisions of the new Indian Constitution. If the Departments do not make necessary arrangements from now alone as stated above to control the expenditure, they may run the risk of not getting their bills cashed at the treasuries. Considerable emphasis has been laid on this by the Ministry of Finance, Government of India in their Memorandum No. 1723-B-II/50, dated 6th April 1950 addressed to all Ministries, etc., on the above subject with its enclosure received from the Under Secretary to the Government of India with Memo No. 1723-B-II/50 (copies enclosed).

Yours faithfully,
V. T. SREENIVASAN,
Accountant-General.

Copy of Office Memorandum No. 1723—B-II/50, dated 6th April 1950, from the Government of India, Ministry of Finance to all Ministries, etc.

The undersigned is directed to invite a reference to this Ministry's Office Memorandum No. 6039—B. II/49, dated the 7th October 1949, regarding the reconciliation of departmental figures of expenditure with those booked in the Accounts Offices and to state that the Accountant-General, Central Revenues, has since reported that the instructions issued in the above memorandum are not being followed by the various Ministries, Departments, etc., and that inspite of repeated reminders issued to them, the progress of departmental reconciliation is not satisfactory. The work of prompt and regular reconciliation of Department figures with those booked in the Accounts Offices, has gained further importance as a result of the new Constitutional provisions under which it is not now permissible to incur expenditure in excess of the amounts voted by the Parliament without obtaining in advance a supplementary Grant. The Ministries, Departments, etc., are therefore requested to make immediate arrangements for the monthly reconciliation of departmental figures with those of the accounts office, to enable them to exercise a closer control over the progress of expenditure and to apply for a Supplementary Grant as soon as the need for it is anticipated and in any case well before the expenditure in excess of the voted grant is actually incurred.

(Sd.) SHIV NAUBH SINGH,
Under Secretary to the Government of India.

No. 1723-B-II/50.

Copy forwarded to the Auditor-General of India, Accountant-General, Central Revenues, with reference to his T.M. 14-41-922, dated the 7th February 1950, all other Accountants-General and Comptroller of Assam.

Copy together with a copy of Office Memorandum dated the 7th October 1949 referred to above forwarded to the Accounts Officers of Part 'B' States for information and necessary action, in consultation with the Administrative authorities concerned.

By Order, etc.,
(Sd.) SHIV NAUBH SINGH,
Under Secretary to the Government of India.

Copy of Office Memorandum No. 6039-B. II—49, dated 7th October 1949, from the Deputy Secretary to the Government of India, Ministry of Finance, New Delhi, to All Ministries, etc.

The Accountant-General, Central Revenues has brought to the notice of this Ministry that the procedure prescribed for the reconciliation of departmental figures booked in the Accounts Office is not being followed by the various Ministries, Departments, etc. In some cases, this reconciliation is in arrears from April, 1948 onwards with the result that the compilation of the Appropriation Accounts for the year 1948-49 is being unnecessarily held up. The delay is mainly due to the failure on the part of the various Ministries Departments, etc., to depute their assistants regularly and in time inspite of repeated reminders from the Accounts Office. In some cases the results of reconciliation with the observations of the Departmental authorities are not reported to the Accountant-General in time to enable him to carry out necessary adjustments.

2. Owing to the rapid expansion of Governmental activities during the war and to the diversion of experienced staff that followed, the procedure prescribed for the reconciliation of departmental expenditure with those booked in the Accounts Offices has in most cases not been followed. Without this reconciliation it is not possible for the Executive to control the expenditure against the grant obtained from the Legislature. There has been a growing volume of criticism that there is in effect, no real control of expenditure now. It is therefore extremely important to secure that there is a prompt and systematic reconciliation between the departmental figures and the accounts. The importance of this work can therefore hardly be over-emphasised; for this is the only means whereby the controlling authorities can accurately estimate from month to month the ultimate savings and excesses in the grants placed at their disposal to enable them to apply for additional funds where required before the expenditure is actually incurred and to surrender unnecessary funds before the close of the year.

3. The undersigned is accordingly directed to request that effective steps may be taken immediately to observe the procedure laid down in the late Finance Department Resolution No. 13-Ex—25, dated the 2nd August 1926, and in its Office Memorandum No. D. 2839-B., dated the 8th July 1933, for reconciling departmental figures of expenditure with those booked in the Accounts Offices.

Circular dated 22nd July 1950.

Subject :—Settlement of S.P.F. claims of retired Government servants.

No. 584—B. II. It has been observed that bills for the final withdrawal of State Provident Fund amounts at the credit of retired Government servants are being sent to the Audit Department long after they have retired from service. When they are received it is seen that they do not always contain complete information *re* : advances taken, amount adjusted, and balance still outstanding. During the course of verification of the amount at credit of each subscriber, it is often seen that the cages in the S.P.F. ledger relating to certain past periods are left blank due to the non-receipt of the credit statements. Without getting the ledger entries posted, it becomes difficult for the Audit Department to pay the amount finally at the credit of the retired subscriber. Very often this process takes several months as particulars will have to be obtained long after the official ceased to work in the office where these recoveries were actually made. There are also other causes for these blanks. The treasuries which compile the initial accounts sometimes misclassify the credits; the credit through Exchange accounts in respect of Governmsnt servants working in different Audit Circles are sometimes passed on after a considerable lapse of time and are not posted into the ledgers then and there. Thus, all these factors have contributed to a great deal of delay in settling the S.P.F. claims of retired officials and have caused unnecessary hardship to the parties concerned for reasons which are obviously beyond their control.

2 Therefore to facilitate the final payment of S.P.F. claims as promptly as possible, the Heads of Departments are requested to send in future to the S.P.F. Section of the Audit Department the names of such officers working under them who are likely to retire in the next six months noting prominently the S.P.F. No against each official so that priority may be given to the task of bringing such accounts to a current condition by the time the concerned officials actually retire.

3 It is also requested that Heads of Departments will forward the final bills prepared in a complete manner immediately the retired officials become eligible to withdraw their S.P.F. amounts finally.

FINANCIAL DEPARTMENT.

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Dated 17th July 1950.

FROM

The Accountant-General, Mysore, Bangalore.

To

All Heads of Departments.

SIR,

Subject: Reconciliation of the Departmental Figures with those of the Accountant-General.

No.805—Books. The work of reconciliation of the Departmental figures of expenditure with those on the Books of the Accounts Department and also to watch the progress of Expenditure against the appropriation rests primarily with the Heads of Departments. To achieve this object, the Account Department is forwarding Statements of Expenditure for and to end of the month for which the accounts are closed to the Heads of Departments according to the directions contained in G. O. No. Fl. 72-210—G.F. 226-23-1, dated Camp Mysore, 14th June 1924. This authority is also noted in the above statement of expenditure. These statements are being sent from the year 1924-25 to enable the Heads of Departments to control effectively the expenditure incurred by them and to take timely action to apply for supplementary grants either by reappropriation of sanctioned grants or by obtaining sanction of the Legislature. It is seen that the above statements are not generally made use of by the Heads of Departments to effect monthly reconciliation of the Departmental figures of expenditure with those booked in the Accounts Office. In only a few cases certain discrepancies are brought to the notice of this office by Departments once a year (and not monthly) while furnishing explanation for variations between Grant and Expenditure under minor heads pertaining to them for incorporation in the Appropriation Accounts of each year.

2, The importance of monthly reconciliation of Departmental figures of expenditure with those of the Accounts and Audit Department is once again brought to the notice of the Heads of Departments with a request to arrange to effect prompt agreement of figures by obtaining from the subordinate officers necessary particulars and also by deputing the concerned staff of their offices to the Audit Office to reconcile the departmental figures with those of the Accountant-General under each detailed head from the particulars available in the books. The Certificate of verification will have to be furnished by Heads of Departments within 15 days after the receipt of the Statement of Expenditure. The need for this is even more important than it was hitherto as it is not permissible to incur expenditure in excess of the amounts sanctioned by the State Legislature without obtaining in advance a Supplementary Grant, under the provisions of the new Indian Constitution. If the Departments do not make necessary arrangements from now alone as stated above to control the expenditure, they may run the risk of not getting their bills cashed at the treasuries Considerable emphasis has been laid on this by the Ministry of Finance, Government of India in their Memorandum No. 1723-B-II/50, dated 6th April 1950 addressed to all Ministries, etc., on the above subject with its enclosure received from the Under Secretary to the Government of India with Memo No. 1723-B-II/50 (copies enclosed).

Yours faithfully,
V. T. SREENIVASAN,
Accountant-General.

Copy of Office Memorandum No. 1723—B-II/50, dated 6th April 1950, from the Government of India, Ministry of Finance to all Ministries, etc.

The undersigned is directed to invite a reference to this Ministry's Office Memorandum No. 6039—B. II/49, dated the 7th October 1949, regarding the reconciliation of departmental figures of expenditure with those booked in the Accounts Offices and to state that the Accountant-General, Central Revenues, has since reported that the instructions issued in the above memorandum are not being followed by the various Ministries, Departments, etc., and that inspite of repeated reminders issued to them, the progress of departmental reconciliation is not satisfactory. The work of prompt and regular reconciliation of Department figures with those booked in the Accounts Offices, has gained further importance as a result of the new Constitutional provisions under which it is not now permissible to incur expenditure in excess of the amounts voted by the Parliament without obtaining in advance a supplementary Grant. The Ministries, Departments, etc., are therefore requested to make immediate arrangements for the monthly reconciliation of departmental figures with those of the accounts office, to enable them to exercise a closer control over the progress of expenditure and to apply for a Supplementary Grant as soon as the need for it is anticipated and in any case well before the expenditure in excess of the voted grant is actually incurred.

(Sd.) SHIV NAUBH SINGH,
Under Secretary to the Government of India.

No. 1723-B-II/50.

Copy forwarded to the Auditor-General of India, Accountant-General, Central Revenues, with reference to his T.M. 14-41-922, dated the 7th February 1950, all other Accountants-General and Comptroller of Assam.

Copy together with a copy of Office Memorandum dated the 7th October 1949 referred to above forwarded to the Accounts Officers of Part 'B' States for information and necessary action, in consultation with the Administrative authorities concerned.

By Order, etc.,
(Sd.) SHIV NAUBH SINGH,
Under Secretary to the Government of India.

Copy of Office Memorandum No. 6039-B. II—49, dated 7th October 1949, from the Deputy Secretary to the Government of India, Ministry of Finance, New Delhi, to All Ministries, etc.

The Accountant-General, Central Revenues has brought to the notice of this Ministry that the procedure prescribed for the reconciliation of departmental figures booked in the Accounts Office is not being followed by the various Ministries, Departments, etc. In some cases, this reconciliation is in arrears from April, 1948 onwards with the result that the compilation of the Appropriation Accounts for the year 1948-49 is being unnecessarily held up. The delay is mainly due to the failure on the part of the various Ministries Departments, etc., to depute their assistants regularly and in time inspite of repeated reminders from the Accounts Office. In some cases the results of reconciliation with the observations of the Departmental authorities are not reported to the Accountant-General in time to enable him to carry out necessary adjustments.

2. Owing to the rapid expansion of Governmental activities during the war and to the diversion of experienced staff that followed, the procedure prescribed for the reconciliation of departmental expenditure with those booked in the Accounts Offices has in most cases not been followed. Without this reconciliation it is not possible for the Executive to control the expenditure against the grant obtained from the Legislature. There has been a growing volume of criticism that there is in effect, no real control of expenditure now. It is therefore extremely important to secure that there is a prompt and systematic reconciliation between the departmental figures and the accounts. The importance of this work can therefore hardly be over-emphasised; for this is the only means whereby the controlling authorities can accurately estimate from month to month the ultimate savings and excesses in the grants placed at their disposal to enable them to apply for additional funds where required before the expenditure is actually incurred and to surrender unnecessary funds before the close of the year.

3. The undersigned is accordingly directed to request that effective steps may be taken immediately to observe the procedure laid down in the late Finance Department Resolution No. 13-Ex—25, dated the 2nd August 1926, and in its Office Memorandum No. D. 2839-B., dated the 8th July 1933, for reconciling departmental figures of expenditure with those booked in the Accounts Offices.

Deputy Secretary to the Govt. of India.

OFFICE OF THE ACCOUNTANT-GENERAL FOR MYSORE, BANGALORE.

Circular dated 22nd July 1950.

To

All Heads of Departments.

Subject:—Settlement of S.P.F. claims of retired Government servants.

No. 584—B. II. It has been observed that bills for the final withdrawal of State Provident Fund amounts at the credit of retired Government servants are being sent to the Audit Department long after they have retired from service. When they are received it is seen that they do not alway contain complete information *re*: advances taken, amoun adjusted, and balance still outstanding. During the cours of verification of the amount at credit of each subscribe it is often seen that the cages in the S.P.F. ledger relatin to certain past periods are left blank due to the non-receip of the credit statements. Without getting the ledge entries posted, it becomes difficult for the Audit Department to pay the amount finally at the credit of the retire subscriber. Very often this process takes several month as particulars will have to be obtained long after th

official ceased to work in the office where these recoveries were actually made. There are also other causes for these blanks. The treasuries which compile the initial accounts sometimes misclassify the credits; the credit through Exchange accounts in respect of Governmsnt servants working in different Audit Circles are sometimes passed on after a considerable lapse of time and are not posted into the ledgers then and there. Thus, all these factors have contributed to a great deal of delay in settling the S.P.F. claims of retired officials and have caused unnecessary hardship to the parties concerned for reasons which are obviously beyond their control.

2 Therefore to facilitate the final payment of S.P.F. claims as promptly as possible, the Heads of Departments are requested to send in future to the S.P.F. Section of the Audit Department the names of such officers working under them who are likely to retire in the next six months noting prominently the S.P.F. No. against each official so that priority may be given to the task of bringing such accounts to a current condition by the time the concerned officials actually retire.

3 It is also requested that Heads of Departments will forward the final bills prepared in a complete manner immediately the retired officials become eligible to withdraw their S.P.F. amounts finally.

FINANCIAL DEPARTMENT.

OFFICE OF THE ACCOUNTANT-GENERAL FOR MYSORE, BANGALORE.

Circular dated 22nd July 1950.

To

All Heads of Departments.

Subject :—Settlement of S.P.F. claims of retired Government servants.

No. 584—B. II. It has been observed that bills for the final withdrawal of State Provident Fund amounts at the credit of retired Government servants are being sent to the Audit Department long after they have retired from service. When they are received it is seen that they do not always contain complete information *re*: advances taken, amount adjusted, and balance still outstanding. During the course of verification of the amount at credit of each subscriber, it is often seen that the cages in the S.P.F. ledger relating to certain past periods are left blank due to the non-receipt of the credit statements. Without getting the ledger entries posted, it becomes difficult for the Audit Department to pay the amount finally at the credit of the retired subscriber. Very often this process takes several months as particulars will have to be obtained long after the official ceased to work in the office where these recoveries were actually made. There are also other causes for these blanks. The treasuries which compile the initial accounts sometimes misclassify the credits; the credit through Exchange accounts in respect of Governmsnt servants working in different Audit Circles are sometimes passed on after a considerable lapse of time and are not posted into the ledgers then and there. Thus, all these factors have contributed to a great deal of delay in settling the S.P.F. claims of retired officials and have caused unnecessary hardship to the parties concerned for reasons which are obviously beyond their control.

2 Therefore to facilitate the final payment of S.P.F. claims as promptly as possible, the Heads of Departments are requested to send in future to the S.P.F. Section of the Audit Department the names of such officers working under them who are likely to retire in the next six months noting prominently the S.P.F. No. against each official so that priority may be given to the task of bringing such accounts to a current condition by the time the concerned officials actually retire.

3 It is also requested that Heads of Departments will forward the final bills prepared in a complete manner immediately the retired officials become eligible to withdraw their S.P.F. amounts finally.

FINANCIAL DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Notification dated 7th August 1950.

No. 2138—Es. With a view to enable the officials of the Mysore Audit Department to take Part I of the Indian S. A. S. Examination without undue hardship, the Comptroller and Auditor-General of India has kindly sanctioned the arrangement under which the rules and regulations as embodied in the Codes and Manuals issued by the Government of Mysore will replace that part of the syllabus of the S. A. S. Examination which would have required a study of the 'F. R. and C. S. R.' and other Audit and Account codes of the Government of India in both Parts I and II of the S. A. S. Examination. He has ordered that the 'Precis and Draft' paper in Part I and 'Advanced Book-keeping' with 'Costing and Stores' control Papers in Part II of the Examination will be the same as those that will be set for the candidates of the other Indian Audit and Account Offices.

2. Adopting the above principles, the following will be the subjects and syllabus of the S. A. S. Examination —Part I to be held in November 1950:—

(1)	Precis and Draft ...	3 Hours.	Marks	150

	Theoretical	2 Hours	Marks	100
	Practical	2½ ,,	,,	100

* Introduction to the Indian Government Audit and Accounts (2nd Edition, Parts I and III and Principles and Practice of Audit (Chapters IX and XIV) by J. R. Batliboi are recommended for study but no questions will be set from them.

3. The Comptroller and Auditor-General has also asked that the applications of the candidates who intend to take Part I of the Examination may be forwarded to him by the 15th September 1950 with the prescribed certificate.

4. A compartmental system of examination is also in vogue under which a candidate can take one or more subjects of a Part of the Examination at a time instead of appearing in all the subjects of a Part at the same time and if he passes in that subject (by obtaining 45 per cent marks in Precis and Draft and 50 per cent in other subjects separately in each paper where there are two papers in any subject—one theoretical and one practical), he will not be required to appear again in that subject at the subsequent examinations.

5. The Comptroller and Auditor-General has ordered that before the names of the candidates for Part I of the Examination are sent up to him, the candidates should be tested in Precis and Draft in the manner indicated by him. However, as only those who have passed the Accountants

Examination will be permitted to take the Part I Examination no such preliminary test will be necessary in the case of candidates of the Mysore Audit Department.

6. The qualifying service of three years for Upper Division Clerks has been reduced to two years in the case of the candidates who take the examination under the Compartmental System, but a Lower Division Clerk taking the examination must put in at least six years' service before he can be allowed to appear for Part I of the Examination under the Compartmental System or otherwise.

7. For date for the purpose of calculating the minimum qualifying service, 15th November 1950 will be adopted for the examination to be held in November 1950.

8. Such of the candidates of the Mysore Audit Department who have passed the Accountants Examination and who satisfy the condition of the prescribed minimum service and who intend to take Part I of the S. A. S. Examination under the above rules and syllabus—either in full or Compartmentally—should immediately submit their applications in the prescribed printed forms to their respective Official Superiors on or before the 1st September 1950. In the cases of applications from those working in the Subordinate Audit Offices, the Auditors should verify the particulars mentioned in the applications, record the Confidential Report individually on each of the applications and forward them so as to reach this office on or before the 5th September 1950.

9. Applications which are not in the prescribed form and which are not submitted to their official superiors on or before the 1st September 1950 will not be considered.

10. Applicants for the examination who intend to take the examination compartmentally should clearly and distinctly state that they intend to do so.

FINANCIAL DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Notification dated 7th August 1950.

No. 2138—Es. With a view to enable the officials of the Mysore Audit Department to take Part I of the Indian S. A. S. Examination without undue hardship, the Comptroller and Auditor-General of India has kindly sanctioned the arrangement under which the rules and regulations as embodied in the Codes and Manuals issued by the Government of Mysore will replace that part of the syllabus of the S. A. S. Examination which would have required a study of the 'F. R. and C. S. R.' and other Audit and Account codes of the Government of India in both Parts I and II of the S. A. S. Examination. He has ordered that the 'Precis and Draft' paper in Part I and 'Advanced Book-keeping' with 'Costing and Stores' control Papers in Part II of the Examination will be the same as those that will be set for the candidates of the other Indian Audit and Account Offices.

2. Adopting the above principles, the following will be the subjects and syllabus of the S. A. S. Examination —Part I to be held in November 1950:—

(1) Precis and Draft ...	3	Hours.	Marks	150
(2) M. S. R.—				
Theoretical	1½	"	"	100
Practical	2½	"	"	100
(3) Civil Accounts and Audit.—				
Civil Branch (For the candidates of the Civil, P. W., Education and Food Supply Audit Offices).				
M. C. A. C. Vols. I and II, M. A. C., Vol. IV, Part I (Except Section 5 of Chapter 21), Mysore Account Code, Vol. IV, Part II (Local Audit and Inspections), Forest Account Code. Misc. Account Rules and Industrial Audit).				
*Electrical Branch.** (For the candidates of the Electrical Audit Office).				

M. C. A. C. Vols. I and II, M. E. A. C. Vol. III plus certain chapters of M. A. C. Vol. IV, Part I (not covered by the above Code, *i. e.*,) Chapters 23, 24, 25, 26, 29, 31 and 32.			
Theoretical	2 Hours	Marks	100
Practical	2½ "	"	100
Total Marks for Part I ...			550

* Introduction to the Indian Government Audit and Accounts (2nd Edition, Parts I and III and Principles and Practice of Audit (Chapters IX and XIV) by J. R. Batliboi are recommended for study but no questions will be set from them.

3. The Comptroller and Auditor-General has also asked that the applications of the candidates who intend to take Part I of the Examination may be forwarded to him by the 15th September 1950 with the prescribed certificate.

4. A compartmental system of examination is also in vogue under which a candidate can take one or more subjects of a Part of the Examination at a time instead of appearing in all the subjects of a Part at the same time and if he passes in that subject (by obtaining 45 per cent marks in Precis and Draft and 50 per cent in other subjects separately in each paper where there are two papers in any subject—one theoretical and one practical), he will not be required to appear again in that subject at the subsequent examinations.

5. The Comptroller and Auditor-General has ordered that before the names of the candidates for Part I of the Examination are sent up to him, the candidates should be tested in Precis and Draft in the manner indicated by him. However, as only those who have passed the Accountants Examination will be permitted to take the Part I Examination no such preliminary test will be necessary in the case of candidates of the Mysore Audit Department.

6. The qualifying service of three years for Upper Division Clerks has been reduced to two years in the case of the candidates who take the examination under the Compartmental System, but a Lower Division Clerk taking the examination must put in at least six years' service before he can be allowed to appear for Part I of the Examination under the Compartmental System or otherwise.

7. For date for the purpose of calculating the minimum qualifying service, 15th November 1950 will be adopted for the examination to be held in November 1950.

8. Such of the candidates of the Mysore Audit Department who have passed the Accountants Examination and who satisfy the condition of the prescribed minimum service and who intend to take Part I of the S. A. S. Examination under the above rules and syllabus—either in full or Compartmentally—should immediately submit their pplications in the prescribed printed forms to their espective Official Superiors on or before the 1st September 950. In the cases of applications from those working in he Subordinate Audit Offices, the Auditors should verify the particulars mentioned in the applications, record the Confidential Report individually on each of the applications and forward them so as to reach this office on or before the 5th September 1950.

9. Applications which are not in the prescribed form and which are not submitted to their official superiors on or before the 1st September 1950 will not be considered.

10. Applicants for the examination who intend to take the examination compartmentally should clearly and distinctly state that they intend to do so.

Accountant-General.

(2) The centre to which his name is required to be transferred.

(3) Whether the change of centre applied for is for the Middle School Examination or for the Upper Primary Examination or for any other Examination.

(4) Reasons urged for the transfer supported by the parent or guardian of the pupil.

7. The fees once paid into the Treasury for admission to any Public Examination shall, on no account, be refunded but may be reserved for the very next examination only if the candidate was unable to sit for the examination on account of illness. This should be supported by a Medical Certificate from a Registered Medical Practitioner provided the application for such reservation reaches the Secretary, Mysore Secondary Education Board, Bangalore, before the commencement of the Examination for which the fees have been paid.

8. The Heads of Institutions sending up candidates for the Middle School or the Upper Primary Examination of 1951 are requested to send the applications arranged according to the instructions given in the statement sent along with the application forms.

9. A consolidated list of candidates, who are deficient in attendance calculated up to the end of February 1951, should be sent in the prescribed form, which will be supplied along with the application forms so as to reach the Secretary, Secondary Education Board, Bangalore, *not later than the* 5th March 1951. The attention of the Heads of Institutions is invited to Director of Public Instruction's Circular No. 1 of 1940-41—Edn. 64-3 of 1940-41, dated 11th July 1940, laying down rules regarding the cases to be recommended for exemption.

10. It is of utmost importance that the Heads of schools should not only advise the candidates to give their correct date of birth, *i.e.*, day, month and year, but also reconcile the dates given in the application form with those entered in the Admission Register of the School. *The candidates should be made to give only the father's name (whether living or not) and not the guardian's name.*

11. The Heads of High Schools sending up candidates for the S.S.L.C. Public Examination will kindly note the following points in connection with the preparation and submission of applications for candidature :—

(*a*) Candidates should be asked to give their *correct* date of birth, *viz.*, the day, month and year in the form of application *as entered in the form of application for admission to the School and in Admission Register* of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter *only the father's name (whether living or not)* in the form of application and not the guardian's name.

(*b*) The Heads of Institutions should satisfy themselves that the entries in the S.S.L.C. card correspond with those in the form of application for admission to the examination in every respect and that the date of birth entered

in the S.S.L.C. card corresponds with that in the admission register of the school.

(c) The Heads of High Schools should arrange the applications and the S.S.L.C. cards separately in the same order, *i.e.*, firstly, according to the second language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the application forms and the S.S.L.C. cards be mixed up, as this will lead to confusion while checking applications. The applications and S.S.L.C. cards of candidates who have been declared "Passed" in previous year should be separated from others and arranged in the same manner as stated above.

(d) The Heads of High Schools should also furnish a separate certificate to the effect that all the entries in the form of application and the S.S.L.C. card agree with those made in the admission register of the schools.

(e) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" certificates, the several second languages and optional subjects offered by them should accompany the applications for candidature.

12. The admission tickets of candidates who appear for the several Examinations of 1951 by *private study* will be sent direct to the candidates concerned by ordinary post to the address furnished by them in their application for admission to the examination about 15 days prior to the date of the commencement of the examination to which the particular candidate has appeared. Private candidates are therefore advised to enter their postal addresses clearly in their application forms. *The Examination Office cannot undertake to note the changes in the address intimated after the applications are sent in* and it will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned in consequence of the incompleteness or inaccuracy or change of the postal addresses furnished by them.

13. Application for the Teachers' Certificate Examination—Secondary Grade—(Theory) from private candidates will not be accepted unless they had appeared for the examination and failed at least once. But teachers in recognised schools who have put in five years service or more and who had no chance of being deputed for training by the department may be admitted to the examination by private study, subject to the condition that they possess the minimum general qualifications prescribed for the examinations provided that applications for admission to the examination are accompanied by certificates issued by the Inspecting Officer in direct charge of the school to the effect that the teacher possesses the minimum general educational qualification prescribed therefor, that he has put in five years approved service in a recognised school, that he is fit to take the examination by private study.

14. The admission of candidates to the Vernacular Teachers' Certificate Examination by private study is regulated as hereunder:—

(a) *First Examination*—

(1) Persons who had sat for the Lower Secondary Training Examination (one year or two years' course) under the old rules and failed therein.

(b) *Second Examination*—

(1) Persons who have passed the Upper Secondary or S.S.L.C. Examination.

(2) Persons who had appeared for the First Examination by private study and passed therein.

15. It should be clearly understood that the provisions in this notification do not in any sense supersede the detailed notifications relating to the several examinations and that the provisions in the detailed notifications should be fully satisfied before any candidate is registered for the examination to which he seeks admission.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification dated Oorgaum 4th September 1950.

Clandestine Manufacture of Fireworks.

No. 1137. Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing Sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮಣಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Chief Inspector of Mines and Explosives in Mysore.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification dated Oorgaum 4th September 1950.

Clandestine Manufacture of Fireworks.

No. 1137. Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress, the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing Sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli *Pattas*"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೆಣಸಿನ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Chief Inspector of Mines and Explosives in Mysore.

Circular No. 234, dated 31st August 1950.

Filling up Personal Statement Forms.

To

All the Examining Medical Officers and Agents.

It has come to my notice that after answering questions in the Personal Statement of the Medical Report, the Proposers either affix their thumb impressions or signature without any knowledge of what has been written therein by the Examining Medical Officer. As there is every possibility of the contents of the Statement being denied subsequently, the Examining Medical Officers and the Agents are requested to see that the Proposers, if they are literate, fill in the Personal Statement *themselves*. However, the Examining Medical Officers should elicit the proper answers for each question and see that they are recorded in the Statement. It may be noted that Kannada forms of the Personal Statement which are available may be made use of whenever necessary.

2. Where the proposers are illiterate, or when they can merely affix their signatures, or if the signature is affixed in a language different from that in which the Personal Statement form is filled up, the contents of the Statement, recorded by the Examining Medical Officer on behalf of the Proposer, should be read over and explained to the Proposer, in a language which the Proposer understands and after the Proposer is fully satisfied about the accuracy and correctness of the contents and admits the same, the Examining Medical Officer should make an endorsement under his signature at the foot of the Personal Statement in the following form: "I have read over and explained the contents to the Proposer and he has accepted correctness of the same."

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE, BANGALORE.

Circular No. 19. C.S., dated 11th September 1950.

To

The Honorary Secretaries of all the
Co-operative Societies in the State.

It is not encouraging to note that though there is provision in the bye-laws of Co-operative Societies, that they may affiliate themselves to the Mysore Provincial Co-operative Institute, only a handful of Co-operative Societies have enrolled themselves as members of the Institute. It is needless to stress that unless the resources of the Institute are sufficiently augmented and all the Co-operative Societies enrol themselves as members of the Institute, the activities of the Institute cannot be placed on a firm and enduring basis.

The Honorary Secretaries of such of the Co-operative Societies as have not yet affiliated themselves as members of the Institute, are requested immediately to enrol themselves as members of the Institute.

The Assistant Registrars are requested to report which of the Societies have not affiliated themselves in response to this circular.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification dated Oorgaum 4th September 1950.

Clandestine Manufacture of Fireworks.

No. 1137. Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing Sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮಣಿಶಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Chief Inspector of Mines and Explosives in Mysore.

Circular dated 22nd September 1950.

New Business General.

To

The Agents and Examining Medical Officers of the Department.

No. 236. It has come to the notice of the Department that instances of Examining Medical Officers going outside their jurisdiction to examine proposers are on the increase in spite of express instructions from this Department to the effect that previous permission should be obtained in all such cases. There is little justification for this procedure as it would trench upon the legitimate jurisdiction of local Examining Medical Officers for no valid reason whatsoever.

Further, if a re-examination at the hands of the jurisdiction Examining Medical Officer should become necessary for some reason or other, the inconvenience, delay and expense involved are unnecessary and avoidable and it may even result in the loss of the proposal altogether.

The Agents who will be parties to the practice under reference cannot also be absolved from blame as they happen to be primarily responsible for the same and they are not only liable to lose such cases by virtue of their being treated as Independent but their accounts would be debited with the Examining Medical Officer's fees.

Secretary.

Commn. 6734, dated 6th June 1949) and a further clarification received from Government in their letter No. L.S. 1814—L.W. 161-50-2, dated 1st September 1950, on the subject noted above are published for information.

Letter No. L.S. 1814—L.W. 161-50-2, dated 1st September 1950, from the Law Secretary to the Government of Mysore, Bangalore, addressed to the Accountant-General, Mysore, through Finance Department, Bangalore.

Subject :—Workmen's Compensation.

With reference to the correspondence ending with your letter No. 881—Pen. dated 29th July 1950, on the abovementioned subject, I am directed to state that the foot note ordered, in Government Order No. S.R. 6444-57—L.W. 69-47-3, dated 6th June 1949, to be added to Article 350 of the Mysore Service Regulations has the effect of reducing the extraordinary pension or gratuity due to an employee under the provisions of the Mysore Service Regulations, by the amount of Workmen's Compensation, if any, drawn by him.

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

Letter No. 11836, dated 16th October 1947 from the Chief Electrical Engineer in Mysore, requesting clarification regarding payment of Workmen's Compensation to sufferers in the Electrical Department consequent on the introduction of the Pension Scheme.

2. Correspondence ending with U. O. Note No. K. 54—48-49, dated 10th August 1948, from the Commissioner of Labour suggesting that the Mysore Service Regulations may be suitably amended in order that no undue benefits are claimed by the injured persons.

ORDER NO. S.R. 6444-57—L.W. 69-47-3, DATED BANGALORE, 6TH JUNE 1949.

The Chief Electrical Engineer reported that the Auditor, Electrical Department, had brought to notice that consequent upon the application of the pension scheme to the Electrical Department, the men on the maintenance establishment could no longer expect to derive the benefit of the Workmen's Compensation Act, if they met with accident or death, since they had become entitled to extraordinary pension or gratuity under the provisions of the Mysore Service Regulations. But he himself was of opinion that the two benefits are cumulative to permanent employees. He, therefore, sought orders of Government clarifying the matter.

2. The Comptroller to Government who was consulted states that the Workmen's Compensation Act may be amended suitably so as to make its benefits available only to such employees of Government as are not eligible for pension under the Mysore Service Regulations. The Commissioner of Labour is however of opinion that it would not be in the interests of employees if the Workmen's Compensation Act was amended as suggested and proposes that a suitable amendment may be made to the Mysore Service Regulations.

3. Agreeing with the Commissioner of Labour, Government are pleased to direct that the following foot note be added to Article 350 of the Mysore Service Regulations :—

"Any amount paid under the Workmen's Compensation Act shall also be taken into account in fixing the amount of pension."

4. Necessary amendment to the Mysore Service Regulations will issue separately.

MIR SAFDAR HUSSAIN,
Secretary to Government,

Notification dated 30th November 1950.

No. 12673—50-51. It is hereby notified for the information of the public that the stock position of cement in the State is gradually improving and larger supplies of cement are available for the civilian consumption. It is therefore proposed to further relax the Cement Control Order in the State by permitting the licensed dealers throughout the State to sell cement to *bona fide consumers*, within their jurisdiction, upto one ton (20 bags) during a month without permits, as a tentative measure, for a period of two months only, from 1st December 1950.

The consumers may therefore approach the cement dealers direct within their localities for their cement requirements, for a period of two months only, if their requirements per month do not exceed one ton.

The licensed cement stockists have been instructed to sell 40 per cent of the stocks received by them freely to the consumers without permits, 30 per cent of the stocks on the authorisations issued by the Revenue Authorities and the remaining 30 per cent on the authorisations issued by the Controller of Civil Supplies. In case the 30 per cent of the stocks reserved for being operated upon by the Revenue Authorities including the Presidents of the Taluk Multi-purpose Co-operative Societies, is not cleared during the month, the same may be sold without permits during the next month.

In respect of the requirements of cement exceeding one ton, the existing procedure will be continued.

Controller of Civil Supplies
and Chief Cement Rationing Authority.

No. 12673—50-51. It is hereby notified for the information of the public that the stock position of cement in the State is gradually improving and larger supplies of cement are available for the civilian consumption. It is therefore proposed to further relax the Cement Control Order in the State by permitting the licensed dealers throughout the State to sell cement to *bona fide consumers* within their jurisdiction, upto one ton (20 bags) during a month without permits, as a tentative measure, for a period of two months only, from 1st December 1950.

The consumers may therefore approach the cement dealers direct within their localities for their cement requirements, for a period of two months only, if their requirements per month do not exceed one ton.

The licensed cement stockists have been instructed to sell 40 per cent of the stocks received by them freely to the consumers without permits, 30 per cent of the stocks on the authorisations issued by the Revenue Authorities and the remaining 30 per cent on the authorisations issued by the Controller of Civil Supplies. In case the 30 per cent of the stocks reserved for being operated upon by the Revenue Authorities including the Presidents of the Taluk Multi-purpose Co-operative Societies, is not cleared during the month, the same may be sold without permits during the next month.

OFFICE OF THE PRESIDENT, KOLAR GOLD FIELDS SANITARY BOARD.

Notification dated 4th March 1950.

No. Ml. C. 89—49-50. The system of leasing out sites on payment of a monthly ground rent (levied under Section 35 (2) (b) of the Mysore Mines Act) has been in existence in the Kolar Gold Fields Sanitary Board Area almost ever since the inception of the Board. There have been frequent representations from the public for the abolition of the ground rent and for the sale of the lands permanently to the present holders subject to the payment of an upset price. The levy of this ground rent has to some extent impeded the development of the Board's area owing to a sense of insecurity in the minds of persons in view of the fact that their title to the land happens to be of a temporary nature. After a careful consideration of the proposal submitted by the Board in this behalf, Government in their Order No. L.B. 7325-8—L. B. 53-49-2, dated 12th January 1950 have been pleased direct the total abolition of the system of levy of ground re *with effect from 1st April 1950* and the grant of sites to th present holders permanently with effect from the said dat subject to the payment of an upset price at specific rates p sq. yd. as indicated hereunder or on payment of an amour representing ten years' ground rent at the option of th parties :—

4.	Zone D. (III block of Robertsonpet known as Vaddargudisai. Pitchapalli, Krishnapura and Belaganapalli cooly lines).	Six annas per sq.yd.	Do

The present holders of sites (on the ground-rent basis) a requested to credit to the funds of the Sanitary Board, the ups price due on their sites on the basis referred to above befo the end of March 1950 together with the ground-rent due f the period ending 31st March 1950, to facilitate necessar further action being taken in the matter.

Failure to make this payment within the stipulated tim will result in the resumption of the sites by the Sanitar Board.
